

10 DOWNING STREET

THE PRIME MINISTER

13 April 1981

Dear Horace,

Thank you for your letter of 26 March about the City Corporation.

I agree that abolition of the City Corporation is not to be contemplated; and you may be sure of my support in defending it.

I would not, however, want to be committed to a general review of local government in London, at any rate in advance of the Boundary Commission's statutory review which is due to start in 1984.

Yours ever,

(sgd) Margaret

Sir Horace Cutler, O.B.E.
