The Governor will be attending meetings in Libreville on Wednesday 20 and Thursday 21 May. I should be grateful if you would arrange for market reports to be sent by telex as soon as possible after the close of business on each day. The reports should be sent "in clear".

I understand that communications to, and in, Gabon may be difficult and I have therefore agreed with the Governor that the same market reports should be sent to him at:

Hotel du Dialogue  
Gabon  
Telex No 5355

and to Mr Loehnis at:

Palais des Conferences du Gabon  
Telex No IDC 5590A GO

Gabon local time is GMT and 1 hour - the same as in the UK.

I should be grateful if copies of the reports could be made available to GPS and David Raikes at the same time as to the Telex Section.
