MAJ 28/7/81

PM
28/7/81

PRIME MINISTER

I understand that you are intending to discuss the imminent CPRS Report on the Nationalised Industries early next week when I shall still be in hospital. [Tuesday: 10.00]

2 May I ask that in addition to Norman Tebbit both Michael Marshall and David Young be allowed to attend because they have both thought much about the methods of achieving much more privatisation than we have so far contemplated?

Yes not.
