SPECIAL ADVISERS

Yes no

*MAF
18/1.*

Your secretary wrote to my secretary on 20 October approving my appointment of Stuart Sexton as a Special Adviser on a half-time basis and a further appointment by me in due course of another Special Adviser also on a half-time basis.

2 This minute is to record that you last week approved my appointment of Stuart Sexton on a full-time basis.

3 William Waldegrave has given up his idea of appointing a Special Adviser himself. He has one or two other ideas which he is currently exploring. I shall write to you again when these are rather firmer.
