③ Prime Minister.

Dear Prime Minister,

I would like to
thank you for the time and
attention which you gave me last
week amidst so many other
pressures.

You have been daily in my
prayers over Easter and I will
continue in that support with
affection and respect.

I tried in a short speech
yesterday to pledge my support
for the Government in the Falkland

crisis; but what reports don't
pick up was by appeal for
prayer to surround those who
bear a heavy responsibility in
decision making.

I go to Nigeria to-day, &
return at the end of the month.

There is no hurry over your decision
about coming to the service at
Canterbury, but I remain convinced
that there should be a true
expression of the character of the
Established Church to "put the Pope
in context"

Yours very sincerely
+ Robert Carter.
