My dear Margaret,
You were all very
gracious & kind to me on
Sunday night. I always enjoy
being with you, as I think you
know.

Thank you for the
encouragement & support that
you have given me. You will
never know how much it
meant to me last week when
I feared that my standards
were falling.
P.T.O.

I am greatly hoping
that I shall be able to
change the character of P. D.'s
Question Time.

Bless you Margaret. You
are regularly in my prayers
as you carry so many heavy
burdens.

Deepest gratitude,

Ever,

George.
