THE PRIME MINISTER

4 February 1983

Dear Robin.

It was a great pleasure to lunch with you and your colleagues on Wednesday.

I was very glad of the opportunity to exchange views over a wide range of subjects - but particularly on interest rates and pay. You will know, from my private secretary's telephone call to you yesterday, how much I deplored the press reports of our discussion. It is a great pity that the media so often invent drama and discord. I much enjoyed our lively discussion.

Thank you very much for your hospitality.

Yours sincerely  
Margaret
