Rio.

Dear Prime Minister,  
John and I would like to  
thank you, and your family, very much for  
a most delightful lunch party at Chequers on  
Sunday.

It was a privilege for me to see  
your beautiful house, having heard so  
much about it from John when he returned  
from his visits there during the Falklands war.

May I also say that we thought  
Carol and Mark were quite delightful?  
It cannot be easy for them to lead entirely  
normal and 'ordinary' lives, but they both  
seem to be very much their own people.  
We are very much with them when they  
say they hope 'the family firm' will

be returned with a sweeping majority at the next election. I am sure it will be so.

Our thanks again to you, Mr. Katcher, Hank and Carol for giving us such a lovely, relaxed day.

With our continuing best wishes,

Yours sincerely

Ridge Diehlbusch

P.S. My staff extend their grateful thanks for signing their first-day covers.
