I spoke to Peter O'Connell from LBC today. He would like you to appear on LBC one evening and wondered if any of the following times/dates would suit?

I explained that your answer might be that as PPS you did not give interviews at all and that I could not recall your having given an interview up till now.

I said that I would ask you if you would be prepared to do an interview and let Mr O'Connell know the answer.

The Show
I don't think it is worth the effort. You will in any case be asked quite a lot of embarrassing personal questions of the "Supogross" kind. And they will want to drag out of you personal stuff about the PM. You safest bet is to say 'NO'
