Private Secretary to the Prime Minister  
10 Downing Street  
London SW1

Dear John,

1. We agreed last month that I would get in touch with you in advance of my next visit to London to find out whether the Prime Minister's suggestion that I might pay a brief call on her still stands and, if so, whether it can be fitted in.
2. I shall be in London (for the Eastern European Heads of Mission Conference) from 19 April (pm) until 21 April inclusive. If it does prove possible to find ten minutes in the diary during that period I shall naturally be delighted; if not, I shall of course understand. Perhaps you could let me know, either direct or through Heads of Mission Section, ideally before 19 April.

Yours ever,

Bryan

PRIME MINISTER

Apparently when you last saw Bryan Cartledge you told him to get in touch with you on his next visit. We have now heard that he will be in London between 18 and 21 April.

Assuming there is no Disarmament Debate next week would you be prepared to see Bryan after the CBI Dinner on 19 April?

Thank you for your letter of 5 April.

The Prime Minister would very much like to see you during your visit to London. We have set aside 1430 on Wednesday, 20 April for this purpose (but it ~~would~~ be as well to check with us nearer the time that we have not had to change this timing). I look forward to seeing you.

His Excellency Mr. B.G. Cartledge, CMG.
