Dear Mrs. Thatcher:

As a belated token of appreciation for your hospitality last December, I enclose the photograph that George Shultz took of the two of us, when he was showing you the Kodak Disc camera.

May I take this occasion to endorse warmly the invitation sent you by Dr. Ernest Lefever of the Ethics and Public Policy Center to receive the Shelby Cullom Davis Award for integrity and courage in public service. Before I joined the State Department, I was a Trustee of the Center, and have high regard for this Award.

I look forward to seeing you again at the Summit, for which I am the President's Personal Representative. And I thank you most warmly for your hospitality on an occasion which was both enjoyable and informative.

Yours respectfully,

Allen Wallis
