

10 DOWNING STREET

THE PRIME MINISTER

14 April, 1983

My dear Madame Barre,

I am absolutely delighted with the beautiful Hermes scarf you sent me from Paris. It is one of the nicest ones I have ever seen and I am most grateful to you for this kind and generous thought.

With all best wishes.

We very much enjoyed your visit to the Queen. Come again soon.

Madame Raymond Barre

Yours sincerely

Raymond Thatcher
