

10 DOWNING STREET

THE PRIME MINISTER

14th May 1983

Dear Mrs. Spauli:

Thank you for the beautiful hand-embroidered tablecloth which you so kindly sent to me. I especially appreciate it because of the thought and hours of work that went into such a lovely gift.

We think of the people in Poland a great deal. We admire your courage. We wish

10 DOWNING STREET

that all peoples could enjoy
the freedom which we in the
west take so much for granted.

I am sending you a
small enamel box with the
doorway of No. 10 Downing Street
on the front - as a constant
reminder of your many friends
and well-wishers here.

Yours sincerely
Margaret Thatcher
