Dear Mr. Lynn,

Very many thanks for your letter.

I greatly appreciated it and it was very good of you to take the trouble to write.

With all best wishes,

I love your programmes.  
Every one a winner. The  
dialogue timing - superb. And  
the insight into the thought -

Jonathan Lynn, Esq.

processes of politicians  
& civil servants is supremely  
perceptive. In haste -
