My dear Margaret,

To come close to
quadrupling your majority is
such stuff as dreams are made
on. What a triumph!

But you earned it, you were
true to yourself and you are
now so experienced a Premier
you will know best how to use
it for the good of our beloved country.

I see poor old Foot keeps
saying Labour lost because they
failed to get their message across,
NOT so. They lost because they got
it across all too clearly - and the
people cared not for it.

Let's hope Kinross takes
over, because then the message
will be virtually the same —
and so will the people's answer.

Which means, dear, you will
have to go on forever. Can
you manage it? Of course you
can. And — as long as
you need me — so can I.

With all my love, blessings
& congratulations —

As ever,

Ronnie,
