PERSONAL MESSAGE

Your Highness,

I was most sorry to hear that your stay in hospital has been prolonged. I hope the doctors will not detain you much longer and that you will have a chance to have a few days' rest in your house in London. I remember with great pleasure my visit to Abu Dhabi in 1981, and look forward to seeing the friendship which exists between our two countries strengthened still further in the coming years.

Yours sincerely
Margaret Thatcher

His Highness Shaikh Zaid bin Mohammed Al-Nahyan, G.C.M.G.
