Hugh Thomas has issued the following statement for press release this afternoon:-

"Sir Alfred Sherman is taking a year on sabbatical (paid) leave from the Centre for Policy Studies as from September 1 in order to write a book on economic theory. Dr Elizabeth Cotterell has been appointed acting Director of Studies at the Centre as from Sir Alfred's departure on August 5 on a pre-arranged visit to Mexico and Central America."

This was cleared with Alfred before Hugh released it.
