

PRIME MINISTER

TOM VAIL - CLEVELAND PLAIN DEALER

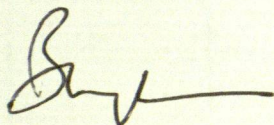

You have agreed in principle to see Tom Vail, editor of the Cleveland, (Ohio) Plain Dealer when next, after August, he is in this country.

You will recall that both Princess Michael of Kent and Sir Keith Joseph have interceded on his behalf for an interview.

Mr Vail has interviewed most Prime Ministers since the war and is an admirer of yours.

He would like to see you on 13, 14 or 15 September and Tim Flesher strongly recommends the 14th (see attached diary).

Content for me to promise Mr Vail an interview some time on September 14?
