THE PRIME MINISTER

26 July 1983

My dear Prime Minister,

Thank you very much for your letter of 24 June 1983 and the excellent news that you have made a decision in favour of the Sea King helicopter and Sea Eagle missile.

I am delighted to hear that the contracts have now been signed. You can be certain that the British Government will do all that it can to ensure the successful completion of this most important programme. This will further strengthen the growing relationship between us in the defence field and the close ties which already exist between our two countries.

I am grateful for the confidence you have shown in our industry.

Warm regards,

Yours sincerely  
Margaret Thatcher

Her Excellency Shrimati Indira Gandhi
