Dear Prime Minister

I have only just heard  
about your eye trouble.  
What a miserable beginning  
to a long overdue holiday.  
We send you very best  
wishes for the speediest  
of recoveries.

We have been trekking  
across Tuscany where P. Shore,  
R. Hattersley & W. Kinnock are  
all said to be on holiday.  
Luckily so far we have only seen  
S. Bottecelli &  
L. da Vinci
