

KUWAIT

9th August 1983

May I thank you very much indeed for the most welcome gift which you sent during my recent stay in hospital. It gave me great pleasure.

But most of all I appreciate your thoughtfulness. At times like this, the kindness of friends is the greatest tonic of all.

His Highness Sheikh Saad Al-Abdullah Al-Sabah
Crown Prince and Prime Minister of
The State of Kuwait

The Rt Hon. Margaret Thatcher,

With every good wish for a speedy recovery
after your successful operation.
