

Princess Christian  
Hospital

10 DOWNING STREET

THE PRIME MINISTER

15<sup>th</sup> Sept. 1953

Dear Mrs. Bullman,

A guide visit to  
Princess Christian last Sunday  
to see Dr. Parkard, reminded me  
that I had not written to  
thank you and your staff for  
your great kindness and wonderful  
nursing skill. I greatly  
benefited from your ministrations  
and I hope the hospital will

benefit from the publicity  
resulting from my stay.

With many thanks and  
every good wish.

Yours sincerely  
Raymond S. White

Prime Minister

You said that, on your return from Switzerland, you would write a note of thanks to the hospital staff, and possibly send them a signed photograph to hang in the office there.

I enclose two sheets of paper, (in case they wish to frame the letter you might like to use the larger sheet instead of going onto the back of the smaller size), and I also attach a photograph.

The chief Administrator at the Hospital is:-
