PRIME MINISTER'S  
PERSONAL MESSAGE  
SERIAL No. T136/83

September 19, 1983

Dear Margaret:

I know you share with me abhorrence for the recent terrorist acts directed at Turkish diplomats and facilities, which have also taken the lives of innocent bystanders.

I have directed my Cabinet to review current anti-terrorism measures and to develop a strategy, including early enactment of additional legal measures, to increase our effectiveness against terrorism.

I would welcome a dialogue with you on ways each of us can improve the abilities of our countries to deal with this increasingly serious problem.

I would particularly welcome your ideas on how we can urgently strengthen intergovernmental cooperation to eliminate the terrorist scourge from the civilized community.

Sincerely,

/s/

Ron
