Dear Stephen,

Despite the traumas
of the last 24 hours, I too
thoroughly enjoyed "the Blackpool
experience".

In fact, working with you &
Ferdie was the least temperamental
and best co-ordinated of all
the Party Conferences ^{spaces} in which I
have been involved. (This
was Number 9!)

This team really was harmonious,

which has not always been
the case! And with Tessa
and Amanda in splendid
form, who could ask for
more?

All good thoughts -

Oseve,

Rennie -
