Dear Miss Drew,

May I thank you most warmly for the arrangements made for my visit to the Hayward Gallery yesterday for the opening of the splendid exhibition "In the Image of Man". I am well aware that yesterday was for you the culmination of much hard work and thought. I hope you felt, as I did, that the result was a triumphant justification for all these efforts.

I should be most grateful if you could convey my warm thanks to Mr. Robert Skelton and Mr. Ross Feller for escorting me around the exhibition and giving me the benefit of their knowledge of, and enthusiasm for, Indian art.

My very best wishes.

(Sgd) MT

Miss Joanna Drew.
