Dear Jimmie Minister,

Thank you for your very kind personal letter, & for your generous words of congratulation. I count it a great honour to be invited to serve on the Committee of Privy Counsellors; & I look forward to doing my best. Lord Franks and I were able to have a preliminary talk before he went into hospital; I do not think that I have taken part in a more exacting commitment.

Every good wish to yourself,

Yours sincerely,

Patrick Nairne
