p.a. 19/11

I think it is Mr. Gandhi's birthday on
Friday (19 November).

You do not normally send birthday
wishes to heads of government. But would
you wish to make an exception for Mr. Gandhi
(the only difficulty is that we shall then have to
do it every year!).

If so, perhaps you would like to write
two or three lines which I will telegraph
tomorrow.

A.S.C.
