MEMORANDUM FOR WILLIAM P. CLARK

FROM: ALFONSO SAPIA-BOSCH

SUBJECT: Demarche to British Foreign Secretary

File UK

Belizean Prime Minister Price called his Charge in Washington and asked that he pass on the following message to the President. Given our friendship with the Belizians, Prime Minister Price asks that in the meeting to take place today with the British Foreign Secretary, they be asked to keep their troops in Belize for as long as necessary.

This is a message we have given to the British before, and I believe we should ask them to keep their troops there beyond the end of this year.

RECOMMENDATION:

That the President or you give this message to the British Foreign Secretary this afternoon.
