The Rt.Hon. Margaret, Thatcher, M.P.,

House of Commons,

LONDON, S.W.1.

HOUSE OF COMMONS

11.4.84.

Thatcher -

Your days are numbered. Howe and Pym, to say nothing of St. John-Stevas, are now conspiring in the bars. You have reduced ~~us~~ us to a suicidal state. Norman especially mentioned your disgusting interview with Sir Robin Day (your intellectual superior) last Monday. "How dare she talk to him like that?" he asked. And how dare you, a grocer's daughter, bring our great Party into the dust?

(Conservative M.P.)
