THE PRIME MINISTER

15th October 1984

Dear Mr. Thorne.

Thank you so much for coming to the Grand Hotel in Brighton to do my hair on Wednesday and Thursday morning last week. I am only sorry that, because of the terrible tragedy that occurred, I was not able to see you again on the Friday and to thank you personally.

I was very pleased with the way you did my hair, and the fact that it lasted so well through Friday was the real test. Thank you again.

I understand that Tessa is arranging for the carmen rollers and the 'overall' which were left in the hotel to be delivered to you, and I hope these reach you safely.

Yours sincerely

Prime Minister

I spoke to Mrs Thorne on Friday morning to cancel the appointment and asked her to send the bill to me at No. 10.

I will arrange for this to be paid when it arrives and will send a good tip as well (and also a signed photograph which I am sure he would like to have).

PARTY CONFERENCE

In the past, John has usually come down to Brighton on the Friday of Conference in order to do your hair. At present, Paul has kept Friday free in case you would like him to come down.

You also mentioned that you would like to have a comb-out on Wednesday and Thursday. Would you be happy for me to arrange for one of the girls from the Hotel's hairdressing salon to come in on those days, and then book Paul for the Friday?

No - it is
enormously costly

it is easier to
have it done

I think John knows
