PRIME MINISTER'S
PERSONAL MESSAGE
SERIAL No. T185A/84

Translation

Federal Republic of Germany
The Federal Chancellor

Bonn, 7 November 1984

Dear Prime Minister,
Dear Margaret,

At the consultations scheduled for 2 November 1984, I intended to express to you again my sympathy and my horror at the attack on your life in Brighton.

This did not prove possible because of the despicable assault on Mrs Gandhi, to which she fell victim. I should therefore like to assure you once more through this letter of my sincere sympathy. I have enclosed a personal gift for you in the hope that it will give you pleasure.

With best wishes,

Yours,

(sgd.) Helmut Kohl

Her Excellency
Margaret Thatcher, MP
Prime Minister of the
United Kingdom of Great Britain and
Northern Ireland
