Attached is a list of young men in Yorkshire who are being badly harrassed and having their lives made impossible because they worked during the strike. They have all applied for transfers to Selby or other pits. These have been refused by local management who make it plain that they regard them as a nuisance although they were heros during the strike. They have been told that if they do not work in their present locations, which have been made intolerable for them, they must take voluntary redundancy and go. This is tragic considering their ages.

Most of them on the list started working in November and December defying the pickets which took great courage.

All will be made redundant by August 3rd if nothing happens.

Those over fifty suffering the same treatment have not been included in this list.

I have not sent this list to MacGregor for the reasons I
mentioned to you. I think if you gave a push however something
might happen.

Most of them on the list starting ^{ed} working in November and
December defying the pickets which took great courage.

I think there is

I had better write a
found letter to Mr. McGregor
