THE PRIME MINISTER

29 December, 1982

Dear Mr. Good,

I am writing to say how much I enjoyed my brief visit to Bangor and the opportunity to walk in the main street and meet some of those shopping there. I was particularly glad to visit Boots, Hoggs and Wellworths: please will you pass on my warm thanks to Mr Boardman, Mr Taylor and Mrs Cummings and their staff for making me so welcome. My family and I will enjoy over Christmas the box of chocolates which I was given in Wellworths, and I will treasure the beautiful crystal bell as a memento of a happy visit to Bangor, and the lovely vase.

Yours sincerely
Margaret Thatcher
