10 DOWNING STREET

THE PRIME MINISTER

29 December, 1982

Dear Mr. Hunter,

I am writing to thank you for your prompt and very kind thought in presenting me with the beautiful record of carols during my visit to Bangor on Wednesday. It contains many which are my favourites and I look forward to listening to them at Chequers over Christmas.

I was also glad to meet one or two individual members of the choir during my walk in the Main Street. I send to you and the choir my best wishes for Christmas and the New Year.

Yours sincerely
Margaret Thatcher
