PRIME MINISTER'S
PERSONAL MESSAGE
SERIAL NO. T137AA/83

My dear Chancellor Kohl,

Thank you very much indeed for your kind welcome and generous hospitality yesterday evening. It was a pleasure to see you again and to be able to have our usual free and frank discussions. I hope we shall be able to remain in close touch as we deal with the very difficult issues which we both know confront us in the next few months.

Thank you also for the delightful gift of wine.

I send you my warmest best wishes.

Yours sincerely
Margaret Thatcher

His Excellency Herr Dr. Helmut Kohl
