THE PRIME MINISTER

Dear Colonel Beroy

I was very glad to visit Drumadd Barracks again during my visit to Northern Ireland and I was impressed and encouraged by the professionalism and morale of those whom I met there. To you and Lieutenant Colonel Nicholson I send my thanks for the excellent buffet lunch which you provided for us; and to all who serve under you, and their families, I send my thanks for the marvellous work they do and my best wishes for Christmas and the New Year.

Yours sincerely

Raymond Stalker
