Dear David,

Yes no

E(LF) MEETING 23 SEPTEMBER

We spoke briefly about the arrangements for this meeting yesterday afternoon.

This is to confirm that, subject to the Prime Minister's views, my Secretary of State would very much like to give a slide presentation, lasting not more than 45 minutes, at this meeting. The presentation would follow on from the similar presentations given at previous meetings on the Local Government Finance Studies, and in Mr Baker's view, a pictorial presentation is by far the best way of making this necessarily complex subject as comprehensible as possible.

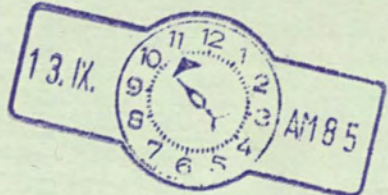

I should be grateful for your confirmation that this arrangement is acceptable. I am copying this letter to Richard Hatfield at the Cabinet Office.

Yours sincerely,

Robin.
