I attach a report by the Joint Intelligence Committee (JIC(80) 14) on Communist policies in Sub-Saharan Africa.

2. This report was originally prepared as part of the briefing for Lord Hunt of Tanworth's visit to South Africa; but it seemed to me that it was a useful analysis which rated wider circulation in Government.

3. I have authorised its circulation to the members of OD and the Secretary of State for Industry, by way of background to the discussion at the meeting on foreign policy to be held at Chequers on 8th June; and I have invited the Foreign and Commonwealth Office to make sure that its conclusions are taken into account in the material which they are preparing for that meeting.
