Dr.

John Bellak writes to ask if you would like to receive a "Derby Dwarf". Shall I arrange for him to come in?

I should  
love to!

Dear Mrs. Ratchar,

You  
may call to mind the  
"Daisy Jewels" which have  
been produced since, we think,  
the 17<sup>th</sup> century + represent  
the two classes who preceded

outside the Pavilion House  
using their huge hats as  
sandwich-boards to display  
the news of the day: I have  
had one made to record  
the "happy event" of June 9<sup>th</sup>.

May I bring it  
with my personal congratula-  
tions at some time that suits  
you?

Yours Truly  
Alvah
