House of Lords · Westminster

Mr. Denis Caplan C.R. 12/12

Many thanks for your note about the Prime Minister's visit to the United States. I am most grateful to you for keeping me in the picture. I understand that the plan is still retained for her to visit the States again in February. Perhaps I can talk to you on the telephone about this in the near future.

Love

From the Private Secretary

30 November, 1984.

You will remember that when we spoke in April you asked me to let you know when the Prime Minister was next going to the United States.

She is now going for literally a few hours to see President Reagan on her way back from China just before Christmas. Please let me know if there is anything I can do to help.

As I am not sure where best to reach you, I am copying this letter to the House of Lords.
