Dear Margaret,

As I return to Westminster and to take my place again in Cabinet, I would like to thank you, not just for your kindness and hospitality at Chequers over Christmas, but for the support which you have given to my Margaret and me over these last three months.

I'm glad to say that the improvement in spirits which I'm sure you observed when you saw Margaret last Saturday has been maintained and she is now very positive in all her attitudes. She is very appreciative of your support and asks me to thank you for all your kindness.

So many people have been so kind to us that we can never thank them enough but again I would like to thank you & Denis for helping me on my way to recovery during my stay at Chequers.

Yours ever,
Norman
