

CHARLES H. PRICE II
AMBASSADOR OF THE UNITED STATES OF AMERICA
LONDON

Dear Prime Minister,
We so very much enjoyed
your luncheon honoring the
Vice President and Barbara.
It took on very special
meaning by reason of the
celebration of our 200th
anniversary of diplomatic relations
and your eloquent comments.
Please understand as
well how much I appreciated

your reference to "the U.S.
Ambassador." This was
very generous of you.

As always I send
to you and Dixie our
warmest good wishes.

Carol and I felt
very privileged to be present
for this lovely and gracious
occasion.

Sincerely,
Charlie
