CHARLES H. PRICE II Price for

AMBASSADOR OF THE UNITED STATES OF AMERICA

LONDON help write

Achille Lauro

Dear Prime Minister,

This morning I was in a Mr. meeting which, among other topics, covered the great assistance which your government provided in dealing with the hijacking of the Achille Lauro.

I want you to know how grateful we are as a nation and how proud I feel personally to be serving as our Ambassador in a country which supports so

thoroughly aware mutual concerns
for the security of our citizens.
With respect and every good
will.

Sincerely,
Charlie
