

10 DOWNING STREET

THE PRIME MINISTER

Friday 17 Jan 1986

My dear Amivore,

Thank you so much for your marvellous letter - it came like a breath of fresh air and hope at the end of a difficult week. It has all been so unnecessary. The Boy party visit expected to behave like that!

We shall be in rough water for some time I fear - and just when the economy is doing well.

Thank goodness for old
friends like you + Johnny - bless
you both.

Love

Raymond
