Dear Prime Minister,
Just a brief note to let
you know how very grateful
we feel for the strong and
unqualified support you provided
by your statement on our
"excesses" in the Gulf of
Sidra. When the "chips are
down" it's nice to know who
your friends are, and you

are consistently the greatest.

Carol and I enjoyed so much being with you and Denise for the dinner at Charles and Carla's. It was a very special evening.

We join in sending our very best always to you and Denise.

Sincerely,
Charles
