

25th July, 1980

Thank you very much for your letter of 21st July, with which you enclosed a copy of your speech.

It was very good of you to have taken the trouble to write. If I may say so, I admired your speech, and have handed it to the Prime Minister - so that she can read it before Tuesday's Debate.

Dear Ian,

As we are heading
for some rough water I thought
I might like to know that I
am more in favour of the
Government's plan than most
somehow appear to be at the moment!

I am

Geoffrey
