28th July, 1981

The Prime Minister has asked me to say, particularly, how greatly she appreciated your Note to her of yesterday's date.

I hope that you and your Family will have a super holiday.

See you at the Conference, if not before.

My dear Ian,

You know how I hate to bother
the P.M. with anything at all.

The enclosed is only to be
shown if you think it should
be, but I was so overwhelmed
by the fact that she should
think of doing & saying
what she did that I felt
I should 'place it on record'.

I am off to Maidon on

Tuesday. I do hope you
have a good rest - you
probably need it more
than most of us.

Hasta luego!

Dear Prime Minister,

It was so thoughtful of you, with all that you have on your mind, to commiserate with me over the little 'contretemps' I had in the House over Gibraltar.

Spain is my second home and any disagreement with the U.K. is very painful for me.

I was so touched. Thank you.

Yours ever
