

Prime Minister

mt

CHARLIE MORRISON

1. I had a talk to Peter last evening.
 2. Charlie is, of course, one of the signatories to the letter dated 25th November.
 3. Charlie said to Peter that he, Charlie, is "hated by Number Ten" Apparently Charlie is expressing this view in the House as well.
 4. These allegations (which apparently include me as well as you) are wholly without foundation. You will be seeing Charlie with the Executive of the 1922 on Wednesday. Although we cannot ask Sara to a meal, I have asked Sue Goodchild to put Charlie on the Number Ten guest list.
