My dear Sir,

1922 Committee,

The Executive will be
grateful if the Prime Minister
will address us on Wednesday
before he has a General
discussion: it will be appreciated
if she will tell us how
she sees political developments

over the next 12 months.
For example what our Party's
attitude to the SJP should be,
whether the economy is expected
to recover and when, how
our Party can recover popular
favor and so on. An opening
statement of say 15 minutes
would be most helpful +
much appreciated. Yours
Ray Bates. Yours
Laurence N.P.

The Officers of the Executive of the 1922 Committee would be pleased if it were possible to arrange a meeting with you before the Christmas recess begins.

If Ian Gow could give us a suggestion *fu*
of dates, we should be grateful.
