HOUSE OF COMMONS

My dear Margaret.

It was very thoughtful
of you to have the book
the 1922 Committee for you
today.

Will you please accept
these prints of David Shepherd's
paintings - he is, I believe,
the best of animal painters
in the world, and of course
a Somerset man - with

Sally's & my love, and
very continued good wish for
you on + on Party's success.

I hope you + family
find as much pleasure in
them as Sally + I have done.

Yours ever

Edward.
